Dear Ms. Funmi Ade,

Dsenyo is a fair trade, social enterprise creating sustainable livelihoods for underserved communities in Malawi. Since 2009, we have partnered directly with artisans in Malawi to develop and distribute handcrafted products. In a country where 51% of the population lives below the poverty line, our partnerships create much needed employment opportunities for society's most vulnerable, including women, widows, artisans affected by HIV, and refugees.

Thank you for the donation of 45 Pounds to Dsenyo. This will be used by African Quilters in Mzuzu, Malawi to benefit the Vipambi Women's Group. The Vipambi Women's group is a cooperative of 14 women who work on Dsenyo orders and also run their own businesses serving the local market. Your donation will help the group build a new sewing and cutting table at the center where they work together.

Thank you,

Marissa Saints
